

SFB 608

Einladung zum Kolloquium

Ort: Universität zu Köln
II. Physikalisches Institut
Seminarraum 201

Zeit: 30. Juli 2008, 14:30 Uhr

Sprecher: Satoru Nakatsuji
Institute for Solid State Physics,
University of Tokyo

Thema: New material research toward new phenomena: a few examples in frustrated magnets and strongly correlated systems

Gez. Markus Braden
